

## Bronxville Senior Citizens

# SHOPPING DELIVERY

We are making every effort to make sure our community is safe during this very difficult time.

Bronxville Police Department has offered to deliver pre-ordered groceries, prescriptions, or personal items that members order from the various stores in the Village of Bronxville.

Please call the store first to get an approximate time and then call Bronxville police department (914) 337-0500 giving them their address as well as the location of the store.

Officers will pick up items (e.g. at Acme, CVS, etc) and then deliver to the vestibule of the member's apartment building or to their front steps.
