

BRONXVILLE SENIOR CITIZENS

Mary W. Roche, MS, OTRIL
Director

August 2020

Thank you so much for your interest in the Bronxville Senior Citizens!

During our regular program year (we are closed only in August), on Tuesdays and Thursdays we offer a wide range of classes, including bridge, exercise, and tai-chi, to name a few, as well a variety of other programs on numerous topics. For most of the year, we meet at The Reformed Church of Bronxville. We are not affiliated with the church, but they graciously host us with space for our classes, programs, and luncheons. Joining for \$125 will entitle you to membership through June 30, 2021.

Due to the pandemic and the need for distancing, we have been offering programs remotely since March, with many of our usual instructors participating. This remote programming will continue until the restrictions on in-person gatherings are lifted.

Membership dues are a major support for the Bronxville Senior Citizens. Understanding that this can be a difficult time, we are happy to offer the option of paying half the dues now and half in January. Of course, you may also pay in full now if you prefer.

The completed membership registration form must be returned.

If you have questions about the program, please don't hesitate to call me at 914-844-5120.

Sincerely,

Mary Walsh Roche
